

# A range of coil racking

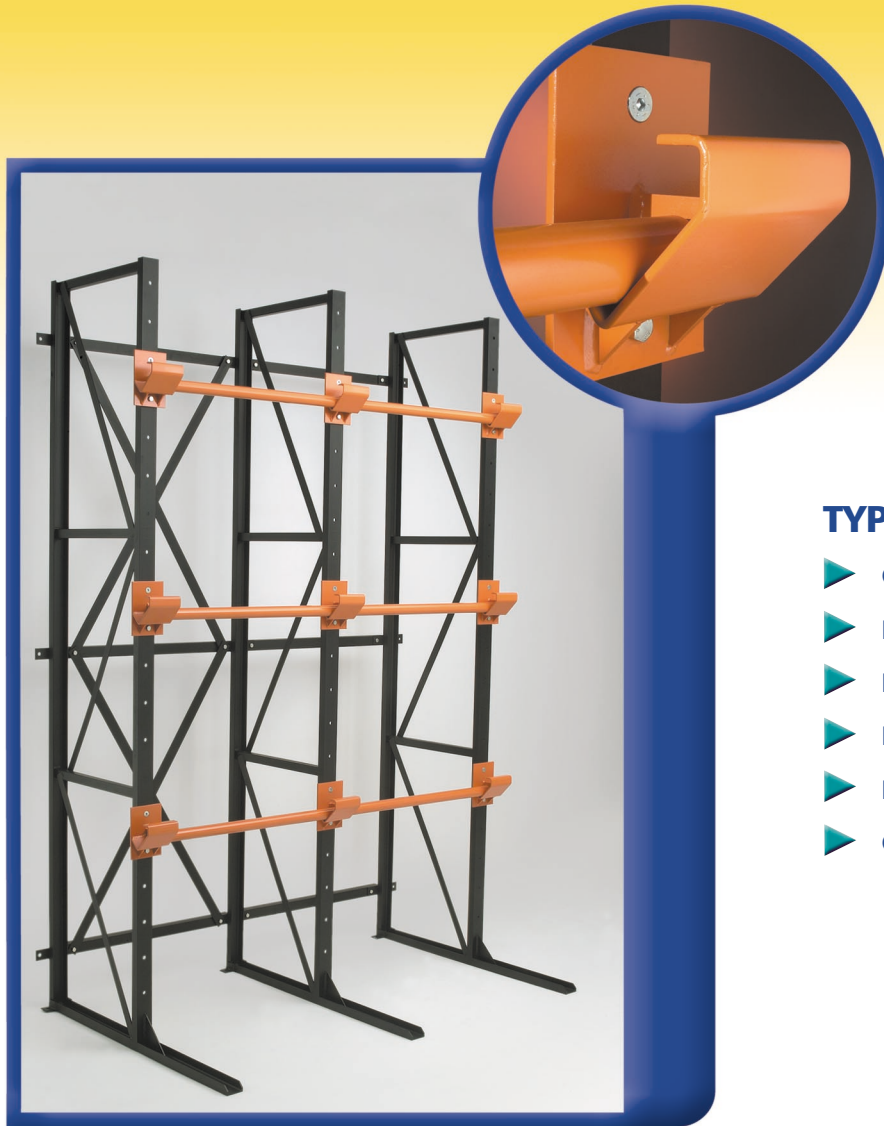

Courtesy of A and A Electrical

## designed to suit your needs

- ▶ Safe storage of any material on reels
- ▶ Allows easy access to reduce handling
- ▶ Stable design enables unwinding of material from racks
- ▶ Only heavy gauge, hot rolled sections used

### TYPICAL APPLICATIONS:

- ▶ Cable
- ▶ Paper
- ▶ Fibre
- ▶ Plastic
- ▶ Rubber
- ▶ Carpet

- ▶ Each rack is designed and manufactured to suit your individual needs
- ▶ Chock design ensures spindles are securely located
- ▶ Chocks adjustable vertically to accommodate varying reel diameters
- ▶ Single or double sided
- ▶ Floor fixed for safety
